Drag and drop upload

LMS Team

lms@nust.edu.pk

1. Login to LMS account, select the course where file is to be uploaded and click "Turn editing on" button.

2. After turning the editing on, the drag and drop block will be displayed on right side of the course page.
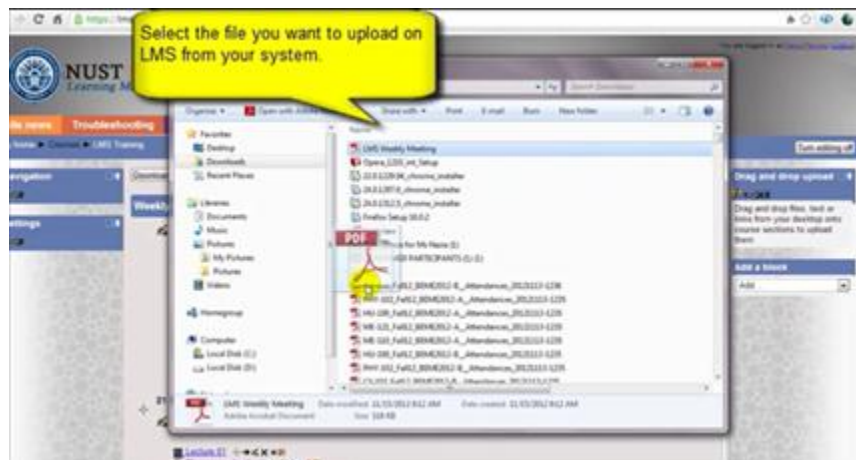

If "drag and drop upload" block is not visible even after turning the editing button on, click add as mentioned in the screenshot.

Select "Drag and drop upload" from the list.

3. Select the file you want to upload in the course, drag it to the course page and place at desired place.

The file will be uploaded successfully in the course.
