

LMS Online Quiz – Quiz Results

After quiz attempts by the students and quiz close time, results are auto-computed for all the attempts except “Essay” type questions which require manual grading by the teacher.

1. Open the quiz link, on the quiz summary page a new link is added mentioning the total number of attempts. Click on Attempts link.
2. Quiz results are displayed in a table, each row of the table contains complete records of one student. All answers are auto-marked but descriptive questions require manual grading.
