# SUMMER INTERNSHIP ABROAD

IAESTE Pakistan is a member of the IAESTE international association ([www.iaeste.org](http://www.iaeste.org)) which includes 85 other member countries united by the aims:

- To provide science, engineering and applied arts students with training experience abroad relevant to their studies;
- To offer employers well qualified and motivated foreign trainees;
- To be a source of cultural enrichment for trainees and their post employers.

Funded at Imperial College in 1948, IAESTE arranges paid course-related vacation training abroad on a reciprocal exchange basis so that in every participating country IAESTE trainees are both entering and leaving for placements. The stipend generally covers the boarding and lodging expenses in the host countries while the ticket is to be purchased by the student himself **with no financial liability to NUST.** This year we have been able to arrange following internship for NBS

Sr. #	Country	Subject	Duration	Ref
1.	Spain	Business Administration, Commerce, Economics	50-52 Weeks	ES-2014- 7212

The availability of internships is far less than the demand, so a selection panel comprising of Principal SEECS, IAESTE Faculty Advisor, IAESTE student President and student outgoing coordinator will make the final selection based upon:-

- 50% Academic performance
- 25% (Passion/Previous Experience, language skills)
- 25% interview.

The selection panel will finalize the nomination. The completed nominations include:

- Application containing a personal statement
- Complete CV
- Official university transcript
- Letter of recommendation
- Scanned copy of passport and university enrollment certificate

Along with Rs. 14000/- bank draft to be drawn against SEECs consultancy fund. This include Rs. 4000/- processing fee and 10000/- to be refunded to student for successful visit and shall be deposited in IAESTE account, in case a student fail to avail the opportunity. All completed documents to reach **CIL office** positively by **Wednesday 12 March, 2014**.
